Copy of the policy shall be submitted to the Discom evidencing compliance of the provision.
- 6.4. The contractor shall also have to bear all other liabilities as per existing “Contract labour (Regulation and Abolition) Act 1970” and other applicable Labour Act as amendable from time to time.
- 6.5. The contractor shall also bear all other expenses like Leaves, Training, additional Salary, Group Insurance.
- 6.6. The contractor shall mandatorily provide uniform (uniform to be approved by DISCOM) to all its deployed personnel.

- to the
and
- 6.7. The Contractor shall be liable to give work off/holidays to the deployed labour as per the Contract labour (Rules and Abolition) Act, 1970 or latest amendments there of and shall also be liable to provide the substitute labour for this periods.
 - 6.8. The Contractor shall have to provide Photo Identity Card for each and every deployed personnel which will have to be prominently displayed while on duty.
 - 6.9. The contractor will have to make the payments of wages directly into a Bank Account of deployed personnel through NEFT/RTGS and shall provide details of their bank accounts number, bank name, etc. to the Executive Engineer.
 - 6.10. The Contractor will mandatorily submit documents showing the proof of age and qualification of the personnel deployed by it. For executing the contract, and get it verified by concerned Executive Engineer of the division, Discom or any other officer as authorized by Executive Engineer Discom from time to time. The verification of the credential of the personnel by the Discom is mandatory and shall majorly be a one-time activity in a year. Duly signed Declaration to be given for all deployed manpower should be submitted to the officer-in-charge by Discom before deploying the respective manpower. Random police verification would be carried out regularly to the check the genuineness of the declaration.
In case, the bill raised by the Contractors after three months gap, the same shall be passed only after successful verification of the credentials of deployed labour by Discom. Any addition/removal of work force will be properly/ promptly intimated to Discom and the added work force credentials will also be verified by the Discom.
 - 6.11. The contractor shall have to ensure fulfillment of the eligibility criteria as mentioned in Section Qualification requirement Eligibility criteria of Bidders of the bid document, at all times.

7. Submission of Bills:-

- 7.1. The contractor shall submit bills with all prescribed documents to Circle/Division office or any other office as prescribed by the Discom.
- 7.2. While submitting the bills for payment purpose, the Contractor shall have to enclose copy of the following documents before 7th (seventh) day of the succeeding month for the work/service extended during the previous month:
 - Each month EPF Challan Sheet along with ECR Sheet in which deployed manpower should be highlighted for EPF Verification.
 - Copy of Biometric Card provided by ESIC (along with ESIC receipt) of each labour deployed. In case ESIC is not applicable than the copy of Workmen Compensation Insurance Policy or Group Personal Accident Policy, taken from any of the PSU's for the number of labours deployed.
 - The contractor shall have to get the attendance sheet (day-wise and shift-wise) verified by second working day of next month by Officer in charge or their authorized representatives and submit it with consolidated bills upto 7th (Seventh) day of the succeeding month.
 - The contractor shall have to provide Bank Account details of each deployed manpower in which he is paying the wages to the labours. Also Contractor must provide monthly statement of bank account showing transaction of salary in his manpower's account.
 - Shift wise roaster.
 - GST receipt, along with deposit challan & copy return file as per rules.
 - Receipt of Premium paid to Workmen Compensation Insurance policy or group personal accident policy.
 - Any other document, if applicable.
- 7.3. All above payment excluding wages (wages to be paid on 7th day) must be made in respective department by tenth of succeeding month else penalty of Rs.100/- per day per personnel for which the payment including the salary disbursement has been delayed or not been done (along with all the penalties imposed by ESIC or EPFO) shall be imposed and penalty shall not in any case exceed 10 (ten) percent of the contract value & it shall be recovered from its bill/contract performance guarantee. Any non-compliance regarding timely payment of salaries, PF, ESIC or any other payments due by Contractor to the deployed manpower may attract Stringent Actions

including Legal proceedings and repetition of such offences might result into blacklisting of Contractor for any future contracts/ tenders.

- 7.4. After the successful completion of work/service during the very first month of the contract period, the bills shall be passed only after the Contractor produces the undertaking for depositing wages into the accounts of the labour deployed by it. The evidence of payment of EPF (i.e.) ECR), ESIC (or WC Policy), and applicable GST shall not be mandatory to submit in first month. However, from the second month onwards all such statutory payments proofs are to be furnished along with the bills submitted by the Contractor (in accordance with guidelines mentioned in 4.2 above in this section). The Discom will verify the disbursement of wages along with the evidence of payment of EPF, ESIC or WC (as the case may be). The Discom will cross check the details, submitted by contractor to the Discom along with its bill from the EPFO portal. The Discom will also verify the payment receipts submitted by Contractor for the ESIC contribution or WC contribution of the concerned employees.
- 7.5. Contractor shall present e-bills, First part consisting of wages paid to the contractor's labour and other part will consist of statutory payments like details of EPF, ESI etc as applicable. However before submission of the bill, the Contractor has to ensure that the payment of persons deployed by the Contractor/Contractors have been made for the billed period before 7th (Seventh days) of the succeeding month. The correctness of amount and/or of any penalty imposed by the competent authority of the Discom/Service Recipient shall be binding on the Contractor. He will also enclose prove of payment/Wages made to staff for that month.
- 7.6. Payments shall be made promptly by the respective Discom, within thirty (30) days after submission of a valid bill along with all prescribed documents mentioned in Clause 4.1 of Special conditions of contract. In such case, where there is any dispute /issue related to the billed amount them payment at the rate of 80% of the least allowable amount (after deducting taxes, penalties & Performance Security) of the bill shall be done and the balance amount/recoverable if any, shall be paid/adjusted along with next month's Payment.
It should be noted that in case of compensation recoverable, the contractor shall have to deposit the payment with the Discom not later than fifteen (15) days after submission of settlement statement. For any delay beyond this period (15days), the Contractor shall have to pay the settlement amount along with the applicable bank interest, beyond the 15 days period.
In any bill payment related dispute/issue arising between Discom and Contractor, a committee shall be formed and convened by concerned Superintending Engineer for resolution of such dispute. The committee shall resolve such issues within a period of 30 days from the day of identification of such issues. The decision of the committee shall be binding on both the parties.
In case there is no further resolution regarding bill payment related dispute/ issue within the stipulated timeline, Clause-15-General Conditions of Contract will be applicable.
- 7.7. The contractor shall also have to give an undertaking that, they are not availing any benefit of Employer share of Employee provident fund (EPF) under schemes like Pradhan Mantri Protsahan Yojana (PMRPY) or any other similar schemes. In case, contractor is availing any benefit for any such said schemes, the same shall be intimated to the Discom and reimbursement shall be reduced to the extent of benefit recovered by the contractor. In case, the fact of such reimbursement is not disclosed and is discovered subsequently, penal action shall be taken against such a contractor.

8. Changes in Manpower Requirement

- 8.1. The Contractor/Contractors must deploy the requisite number of manpower as and when required and notified by Engineer In charge (of concerned Circle/Division). The Discom/Service Recipient reserves its right to decrease the manpower requirement numbers during the period of the contract as per the job requirement and Contractor/Contractor must abide by the same without any fail/objections. The change in manpower requirement shall be within the variation limit, mentioned in the specifications i.e (-50/+0%) However in case of construction of new substation & lines the contractor will be kind to provide additional manpower on the same terms & condition after getting approval from MD Purchase/ work committee.
- 8.2. The Discom reserves the right to extend the services of the contractor in other circles within the Discom on the same rates, terms and condition.

contract of n

9 Contract Performance Guarantee:-

9.1 The Contractor shall furnish Bank Guarantee (valid for the entire contract period + 6 months and extension, if any) thereof for an amount totaling 15% of per annum contract value. The bank guarantee shall be from Scheduled commercial bank excluding Cooperative bank and Regional Rural banks (of any Bank having Branch situated in the State of Uttar Pradesh). The bank guarantee should also have a further claim period of 06 months from the date of completion of the contract.

In case of revisions of minimum wages as notified by Labour office, Uttar Pradesh, Contractor shall have to pay the wages to their deployed workers as per revised minimum wages as notified time to time by competent authority. Accordingly DA, PF & ESI shall be calculated based on prevailing minimum wages and bill shall be submitted accordingly.

9.2 The payment to contractor shall be done as per the formula of GeM.
(((Basic monthly pay (INR) exclusive of GST+ESI (INR Monthly)+Provident Fund (INR Monthly)+ELDI (INR Monthly)+ Bonus (INR Monthly)+Optional Allowances 1 (INR Monthly)+Optional Allowances 2 (INR Monthly)+ Optional Allowances 3 (INR Monthly)+EPF Admin Charges (INR Monthly))*1.18+ (Percentage of Service charge (Basic monthly pay (INR) exclusive of GST+ESI (INR Monthly)+Provident Fund (INR Monthly)+ELDI (INR Monthly)+ Bonus (INR Monthly)+EPF Admin Charges (INR Monthly)+Optional Allowances 1 (INR Monthly)+Optional Allowances 2 (INR Monthly)+Optional Allowances 3 (INR Monthly)) /100))*Tenure/ Duration of Employment (In Months) * Number of Resources to be hired))

Note :- Exemption to Micro, Small firms registered under MSME & Startup shall be as per corporation order issued from time to time.

10

- a) In case, any penalty is imposed by the regulator/ government/ any other judiciary or compensation thereof, as decided by the concern authority, on PuVVNL related to services/ scope of work as per this Bid document, then the same shall be passed on to the Contractor.
- b) Contractor shall have to cooperate with PuVVNL to conduct random checks with outsourced employees deployed to check the disbursement of salaries and other compliance payments like PF, ESIC, etc. by the Contractor. Subsequently, if it is found that the Contractor is not complying with stipulated pay-outs to its labour, PuVVNL shall initiate actions like Encashment of BG / Legal Proceedings / Blacklisting of the Contractor and forfeiture of Bank Guarantee etc.

11 Contractor Profit Margin Charges

11.1 Minimum profit margin should not less than 3.85% as per concerned GO.

11.2 Such profit margin shall be quoted taking into account all overhead expenses including all the statutory taxes envisaged by the bidder (not attributable to the Discom/Service Recipient) for efficient functioning /execution of Contract. All statutory dues including bonus pertaining to Payment of Bonus Act., 1965 (and its amendments thereafter if any) needs to be paid by Contractor /Contractor to its deployed personnel as per provision of said Act.

11.3 Bidders shall note that in case of revisions of minimum wages as notified by Labour office, Uttar Pradesh, Contractor must pay the wages to their deployed workers as per revised minimum wages as notified time to time by competent authority. Accordingly DA, PF & ESI shall be calculated based on prevailing minimum wages and bill shall be submitted accordingly.

Note : *Statutory dues & DA may be changed with government guideline, however the value of profit calculated with respect to % quoted at minimum wages at time of bidding shall remain fixed throughout the contract period.
